216 REMEDIAL WORK TO THE EXTERIOR EAST FACE OF THE TOWN HALL

18/19

To consider the quotation for the additional remedial work required to the building

Cllr. Bradly raised a concern regarding replacing windows when the building was known to have issues with damp. Cllr. Aslett suggested that, in view of the damp, a damp proof course (dpc) barrier might be beneficial. Cllr. Best emphasised that the time to replace the rotten windows was when the scaffolding was in place. After further discussion, it was **AGREED to approve the contractor Luke Grafton Stonemason Ltd to undertake the additional work required to replace the rotten windows on the east face of the building, at the quoted cost of £5,826 (+ VAT), funds to be taken from General Reserves.** The Clerk would consult with the contractor about the possible benefits relating to the use of a dpc.

217 USE OF BARN STREET RECREATION GROUND

18/19

To consider a request for use of the Barn Street recreation ground for a fete and dog show proposed to be held on Saturday 20 July 2019

It was noted that the Council had only quite recently re-confirmed that the “no dogs” policy for the Barn Street recreation ground would remain in force. Given this, it was **AGREED that, with regret, the request to hold a dog show on the Barn Street recreation ground could not be approved.**

The meeting closed at 7.21 p.m.
